

How to send a cashier's check

First, go to "Do More" and select "Write Checks".

A screen will pop up allowing you to select which account to take the money from, and allow you to either write a check now or schedule one for a later date. At this time, you may only send the check to yourself and have it be payable to yourself. Cashiers checks payable to other people can be ordered (for a \$5 fee) from the eBranch at 406 523-3300, or in person at any branch. Checks payable to yourself are free.
