

How to Transfer Funds to your Mortgage

FUNDS TRANSFER

Status Internal External

From Account
Select

To Account
 Select

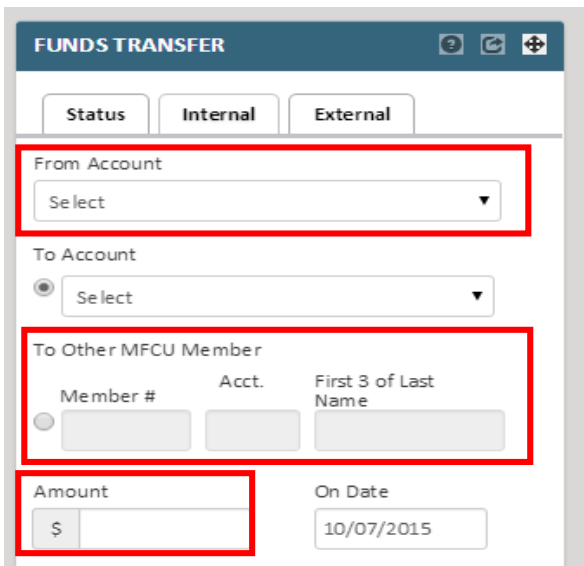

To Other MFCU Member

Member # Acct. First 3 of Last Name

Amount
\$

On Date
10/07/2015

Log into your account on Online Banking and find the Funds Transfer tool on the main page. Click on the **From Account** drop down and select the account you are transferring from. If the mortgage is under the same Member Number that you are logged in under, then click on the **To Account** dropdown and select the **RE PMT (**000-S5)** account. Type in the amount you wish to transfer.

If the mortgage is listed under a different member number, then click **To Other MFCU Account/Member** and fill in the necessary information.

You will be asked if you are sure you want to complete the transfer, so click Transfer and you will be finished.
